

ETRC GUN DOG OF THE YEAR AWARD RULES

(Rules approved April 2025 effective for the 2025 Award Year)

1. The dog which accumulates the most points in AKC-Licensed Retriever Hunting Tests and ETRC club trials throughout the calendar year will be the winner of the annual Holcomb Gun Dog of the Year award and trophy. The annual award and trophy will be presented at the February ETRC annual awards banquet. The recipient of the Holcomb Gun Dog of the Year award will keep the trophy for one year and is responsible for its care. An engraved personal plaque is awarded to the retriever and the owner.
2. Points may be earned only in AKC Licensed Retriever Hunting Tests and ETRC Club Trials.
3. Points earned for "Puppy" Stakes at AKC Hunt Tests or ETRC Club Trials, plus points earned by puppies under 12 months of age at the time of the AKC Hunt Tests or ETRC Club Trials will not be included in computation of Gun Dog of the Year point totals.
4. Dogs are eligible to earn points at their current AKC title level and higher stakes at ETRC Club Trials. For example, a dog who has already earned his Senior Hunter title may continue to earn points at either the Senior level or the Master level. However, once a dog has passed two consecutive club trial stakes at a higher level than their current AKC title, or has a single pass at the higher level at an AKC test, he or she may no longer run lower level stakes for points at ETRC Club Trials.
5. Dogs are eligible to earn points at their current title level or above in AKC Hunt Tests. Once a dog earns a pass in a higher stake than its current AKC title level at an AKC hunt test, that dog cannot run a lesser hunt test stake for points. For example, a dog with an AKC Master pass cannot run in an AKC Senior Hunt Test stake for points, but may earn points for a run in an AKC Master stake.
6. All hunt tests stakes will be run for completion points only (points are only awarded per test successfully passed).
7. Calculation of Points:
 - a. A dog will receive 1 point for Junior, 2 points for Senior, and 3 points for Master at each AKC Licensed Retriever Hunting Test passed. Points earned at a Specialty where only one breed is allowed to compete may be included in the points calculations, but only up to a maximum of two completions (i.e. up to 2 points for Junior, 4 points for Senior, or 6 points for Master tests passed).
 - b. A dog will receive 1 point for Junior, 2 points for Senior, and 3 points for Master at each Club Trial stake passed. However, only the highest level passed for which the dog is eligible to receive points will count towards the Gun Dog of the Year award. Singles Classic and Advanced Junior Hunter stakes will not count towards the Gun Dog of the Year Award.
 - c. Points for Master National or Master Amateur Hunt Tests:
 - i. A dog will receive 1 point for qualifying for the Master National and/or Master Amateur Hunt Test
 - ii. A dog will receive 6 points for passing at the Master National and/or Master Amateur Hunt Test

8. Only dogs owned by ETRC members in good standing are eligible to compete for the Gun Dog of the Year award. However, points gained while the dog is being handled by someone other than the owner will count towards the award, whether or not the handler is an ETRC member. No points earned before the owner is a member of the East Tennessee Retriever Club will count towards this award.
9. In the event of a tie, the tied dog who competed in the most ETRC Club Trials during the awards year will be declared the winner. If this tie breaker still results in a tie, all tied dogs will receive recognition.
10. The eligibility year for the Gun Dog of the Year Award begins January 1 and runs through December 31 of the award year.
11. It will be the responsibility of the owner to provide information on ETRC club and AKC passes to the ETRC club member who is responsible for tabulating points, by the date specified in the December newsletter. If there is a discrepancy in the points submitted for ETRC events and ETRC's records, the records of the ETRC are final. Any discrepancies in AKC points submitted will be compared to AKC's Performance records with AKC tabulations being final. These rules and regulations are to be published in the club newsletter preceding the club's annual February meeting. A copy will be posted on the ETRC website. Any changes to the rules will be published in the club newsletter and posted on the website. Winners will be announced in the March Newsletter and posted on the ETRC Website.
